Good morning Catherine,

Thank you very much for attending our FORC Fundraiser last weekend. We really enjoyed having David and you there, and it was a boost to our FORC efforts.

If you can tell me which zip codes are contained in CD4, I will be able to provide a better picture of our Runyon Demographic Data for the folks in David's Council District -- although it probably isn't much different than the overall Runyon Demographic data.

Thank you and have a great weekend -- albeit a hot one !
